

An aerial photograph of Zurich, Switzerland, showing the city skyline, the Lake of Zurich, and a tram crossing a bridge. The sky is filled with dramatic, grey clouds. The city buildings are densely packed, with some taller structures visible. The lake is a deep blue-green color, and many boats are docked along the shore. A tram is crossing a bridge in the foreground, and a few people can be seen walking on the bridge. The overall scene is a mix of urban development and natural beauty.
